

TUITION, FEES, AND DISCOUNTS FOR DISTANCE STUDIES COURSES

- 1. EXPLANATION OF CREDIT HOURS AND TUITION:** Charges are based on the number of course hours not the number of class periods. The charge for a one credit hour course is \$75.00, a two credit hour course is \$150.00, a three credit hour course is \$225.00 and a four credit hour course is \$300.00. The tuition for one semester for a student taking the maximum 15 credit hours would be \$1,125.00. When a husband and wife enroll together, tuition is waived for the spouse taking the fewest credit hours. **A fee of \$25.00 is required with application for enrollment per student.**
- 2. COURSE DELIVERY FEE:** There will be a \$30.00 fee per course, per student, to cover delivery and processing expenses.
- 3. DISCOUNTS:** Upon completion of 15 credit hours of distance study, the student would then be eligible for a 20% discount on all future distance studies courses.
- 4. STUDENT LOANS:** **BBI** discourages students from accumulating unsecured debt, even for so noble a cause as learning to teach and preach the Bible. Students may seek sponsorship and/or support by family, Christian friends or their local church, as may be available to help with their school expenses.
