A Note of Gratitude from The Board...

Dear Friends of BBI,

The Berean Bible Institute board of directors is encouraged with the ministry of BBI. Therefore, we're thankful to God.

God has raised Berean Bible Institute for such a time as this. The ministry has been used in the lives of many individuals and families. Its impact is being felt in many churches and ministries that will continue for generations and in eternity. We know God gives the increase, 1 Cor. 3:7, and that He uses people ministering for Him like those at BBI. We're thankful.

God gives pastors and teachers to the body of Christ today, Eph. 4:11. BBI has a hand in training some of them. A glance at the roster of speakers at the Berean Bible Fellowship conferences in recent years is a reflection of the impact of God's work in the lives of men through BBI. We're thankful.

God has, through a variety of ways and people, supplied the needs of BBI through the years. The board has held the line on spending. The staff has worked sacrificially. We realize that these uncertain financial days have hit many of our supporters. That has resulted in a shortfall for many months at BBI. But we're confident in God that BBI is His ministry and that He will supply through those whom He has prospered, 1 Cor. 16:2. So, once again, we're thankful.

God has done great things in this ministry in its short history. We're grateful to be part of the process God is using to establish grace believers today. He has brought a team of talented, gifted and dedicated staff together. We're grateful for the contribution of each one of them. We're thankful for the debt free building God has provided. We're grateful for each student, on campus and distance learner God has sent our way. We're grateful for the publications and web-site God has enabled as well as each response to them. We're grateful for you and your interest in this ministry.

We pray that you continue to partner with us in prayer and support of BBI. We also pray that you join us in thankfulness to God for all He has done and will continue to do through the ministry of Berean Bible Institute.

Grace to you,

Jeff Seekins
