Rightly Dividing the Word of Truth

Training Workmen that Need Not Be Ashamed

THE INSTITUTE UPDATE

In the June issue of the *Berean Searchlight*, Pastor Paul Sadler gave a report of his recent trip to the Philippines¹ where there are over 300 trained pastors and Bible women working in the 400 plus Grace churches there. All of these leaders were trained in one of the Bible institutes started by *Things to Come Mission*. The first TCM Bible institute was started by Pastor Vernon Anderson and Pastor Joe Watkins in 1959, who, with their families, were the first TCM missionaries. Their purpose in starting *International Grace Bible Institute* was to train pastors, Bible teachers and missionaries. Today many of their former students are serving as instructors in the five Bible institutes that are now in the Philippines. My wife, Linda, and I can personally attest to the soundness of the Bible and ministry training that *IGBI* students receive as we worked closely for two years with Filipino nationals who are serving as missionaries with TCM in Kenya while we were teaching at *Grace Bible School* there. The success of the Bible institute ministry in the Philippines is the result of two things. First, an uncompromising commitment to the Word of God "*rightly divided*," and second, the determination to maintain the principle goal of the

RIGHTLY DIVIDING THE WORD OF TRUTH

by Dr. W. Edward Bedore

LESSON SEVEN - The Law

Part III - The Tower of Babel

After the Great Flood man was directed to repopulate the whole earth (Gen. 9:1-7). Through Noah's sons all the families of the earth came into being. A new era of human history had begun. Not only was the climate of the earth changed but now, with the institution of human government, the social order of the human race would be forever changed. Now there would be kings to rule over the affairs of men.

The Builder of Cities

The first man actually named who established a kingdom is Nimrod. This man built eight cities, four in the land of Shinar and four in Assyria. He is said to have been "*a mighty hunter before the Lord*" (Gen. 10:9). The hunting Nimrod did was not for animals, but for men. He was a hunter who put himself before God by seeking the admiration and worship of men. His desire was to enslave their minds and souls. This new leader of the human race, whose name means "*rebellious*", would lead them in rebellion against the Living Creator God.

The principle city that Nimrod built, and from which he first directed his rebellion against God, was Babel in the land of Shinar. This land would become known as Babylonia and Babel would later be called Babylon. It was located in what is known today as Iraq.

Mankind United

At this time the whole earth spoke one language and was united. Instead of spreading across the face of the entire earth they settled in the land of Shinar under the leadership of Nimrod. They purposed together to build themselves "*a city and a tower whose top may reach unto heaven*" (Gen. 11:4). Their plan was to stay together in direct defiance of God's

command to scatter over the whole earth (Gen. 11:1-4). This brings us to the third major crisis in the history of mankind. The first one was in the Garden of Eden when Adam and Eve disobeyed God and ate of "the tree of the knowledge of good and evil" (Gen. 3:1-19). The second crisis was when men became so wicked that their thoughts were always on doing evil (Gen. 6:5-7). And now mankind, while bound together under the mantle of human government, determined to make a name for themselves (Gen. 11:4). They did not worship the Living God of Creation, but glorified man in their own sight (see Rom. 1:18-23). This is the underlying attitude of all pagan worship and the idolatry it leads to.

The tower that was built was actually a temple designed to enhance their astrological religion. Astrology and the occult mystery religions were brought forth at Babel, and now God would once more act to restrain the evil intents of man.

Confusion

After Adam and Eve's fall into sin, God banned them from the Garden of Eden and placed a cherubim with a flaming sword to guard the way to the "tree of life." Man was restrained from eating of the "tree of life" and thereby living forever in the flesh (Gen. 3:22-24). When the wickedness of man became so great on the earth "that every imagination of the thoughts of his heart was only evil continually,"

God destroyed the earth and all of mankind except for Noah, his wife, their three sons and their wives. Along with the commission to replenish the earth with humanity after the flood, human government was ordained as a restraint on the evil of man (Gen. 9:1-7). Now, with the building of the Tower of Babel, in direct defiance of His divine decree to spread throughout the earth, God would take action. He confused their language so that they could not understand each other. This caused the people to separate from each other and scatter over the face of all the earth. And so, they were restrained from building the tower and their desire to make a name for themselves (Gen. 11:1-9).

The Nations

The people of the world were separated into groups in different areas of the earth. They became the nations, or Gentiles. God's plan is for a world that is united to serve and worship Him, but man, in his depraved and sinful state, refused and instead united in rebellion. The scattering of the nations by God has restrained man from uniting in any worldwide organized rebellion against God since that time, even though man has continually worked toward reestablishing a world empire that could rule apart from God's authority over him.

A Conspiracy

Nimrod, in his rebellion against God, became an anti-Christ. An anti-Christ is one who opposes Christ in an effort to take His place. God promised Adam that the "seed of the woman" would "crush the serpent's head" (Gen. 3:15). This was a promise of a Redeemer to come. Ever since that time Satan has raised up false christs for men to follow and worship. The spirit of anti-Christ is the spirit of Satan who is also known as the father of lies and a murderer (John 8:44), the prince of devils (Matt. 12:24), the prince of this world (John 12:31; 14:30; 16:11), the god of this world (II Cor. 4:4), and the prince of the power of the air (Eph. 2:2). The power behind the quest to enslave the minds and souls of men in a universal world order is Satan himself. This is why, over the centuries, diabolical leaders have constantly come to the forefront of history in a bid to rule in tyranny over others. They come with the promise of peace and prosperity but produce war and tyranny. From the law enforcement officer

who abuses his position to the international figure who would rule the world, it is the same motivation that energizes their actions, the spirit of the anti-Christ, which appeals to the sinful nature of man. Satan's lie in the Garden of Eden is the same lie that he seduces men and women with today; "ye shall be as gods" (Gen. 3:5). This plays as sweet music to the hearts of sinful men and women for it implies that

man can rule his own destiny, set his own standards of right and wrong, and can become righteous by his own efforts. By this lie man is enticed to worship self or the god within. This always degenerates further into open idolatry and worship of the creation, or "nature," instead of the True and Living God who is the Creator of all things (Rom. 1:18-25).

It is only the restraining influence of the Sovereign God of Creation that has kept the nations from uniting under the rule of a satanically empowered anti-Christ from the time of Nimrod until now.

The True King

In His perfect timing God will one day pull back His restraints and allow "the anti-Christ" to have world rule for a short time. This will usher in the Tribulation period, which will begin with promises of peace and safety but will quickly regress into war, famine, pestilence, and great natural disasters. These things are foretold by the Old Testament prophets as well as by many of the New Testament writers. The Book of Revelation is actually a prophetic overview which places many of these coming events in chronological order. It provides the details of some prophecies and explains others.

It will be at the Second Coming of Christ to earth that the anti-Christ will be destroyed and Satan bound (Rev. 19:11-20:2). It is Jesus Christ, the King of kings and Lord of lords, who will at last establish an everlasting world-wide Kingdom of righteousness (Dan. 2:44). It must be noted here that the Tribulation primarily deals with the nation Israel. God's purpose for Israel and her predominant place in Bible prophecy will be further dealt with later.

A Hostile Spirit

The world system, which in reality is Satan's system, is hostile toward God, God's Law, God's Son, and God's people. It cannot be any other way. Satan is the adversary who is fighting viciously but futilely against God. He is a defeated foe, defeated at the cross. But as yet he is not a contained foe.

The natural man, who is a sinner both in nature and practice, is also at war with God. He is enslaved by sin and a child of the devil, a son of disobedience (Eph. 2:1-2). Every single member of the human race, except Jesus Christ, has been declared a guilty sinner before God. The condemned sinner is spiritually and morally bankrupt and has no means to redeem him or her self. There is nothing in the nature or abilities of men and women that merits God's favor (Rom. 3:9-20). In fact, the opposite is true *"for the wages of sin is death"* (Rom. 6:23a). All of mankind is unified in the rebellion against God, so all stand condemned. Left to his own devices, man has no hope. Without some kind of outside intervention no one could ever be saved from the wrath of a Holy and Righteous God.

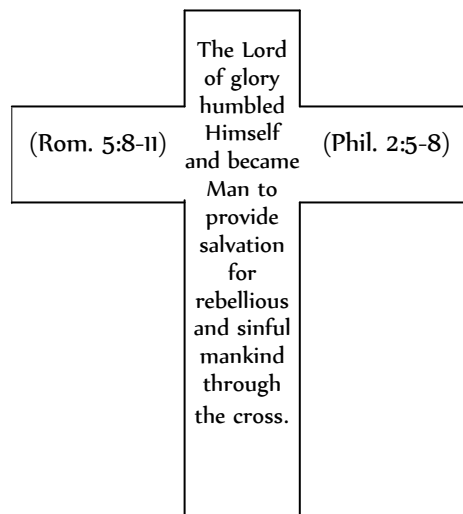

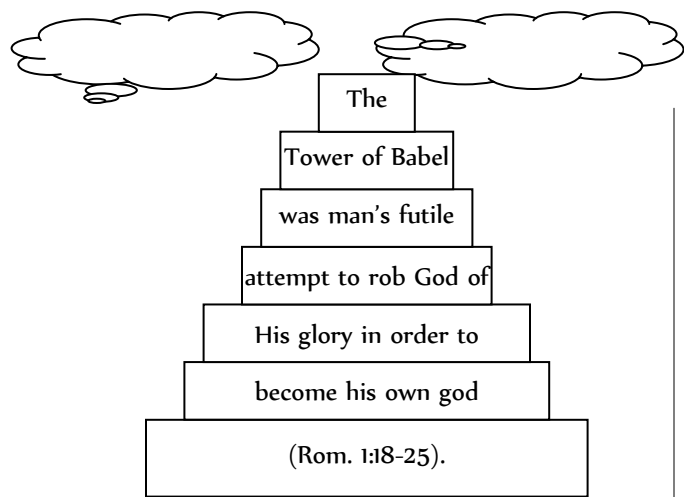

God's Plan

Even though Satan holds sway in the world, he has not, and will not thwart, God's plan for a

righteous Kingdom on earth as Jesus Christ will one day establish the righteous rule of God's Kingdom of Heaven on earth. In the meantime, God is busy saving sinners through the blood of His own Son, Jesus Christ. Indeed, *"Christ Jesus came into the world to save sinners"* (I Tim. 1:15). Although *"the wages of sin is death,"* we can find hope in the wonderful fact that *"the gift of God is eternal life through Jesus Christ our Lord"* (Rom. 6:23).

When the lost sinner places his trust completely (believes) in Jesus Christ for forgiveness of sins, he or she is saved from eternal condemnation and given the gift of eternal life. This is a judicial act by which the believer is declared just or righteous in God's sight. This is possible only because the believer's sin is imputed to Christ, who has already paid the penalty for our sins through His death upon the cross and, in turn, the righteousness of Christ is imputed to the believer that he or she may be justified in God's sight (Rom. 3:21-26; 5:1-2; I Cor. 15:3-4; II Cor. 5:21; Eph. 1:7; 2:8-9; II Tim. 1:8-9; Titus 3:3-7).

The satanic system of religion is based on the lie that man can find godhood through his own efforts or merit. It is a works oriented salvation that is found in many clever disguises from the occult of the eastern mystery religions, which teach that man can achieve a higher consciousness and so realize his own divinity, to the pseudo-Christian religions that insist on faith plus works for salvation. For our works to find merit with God they would have to meet the standard of Jesus Christ, who was and is perfect in every way. In fact, He is the very righteousness of God *"for He hath made Him to be sin for us, who knew no sin; that we might become the righteousness of God in Him"* (II Cor. 5:21).

COURSES FOR THE FALL 2002 SEMESTER AT BBI

(August 26th-December 19th)

All classes are held at BBI. No correspondence courses are available at this time

101 - DISPENSATIONAL SURVEY: (*Two credit hours*) The Bible must be rightly divided (II Tim. 2:15), therefore, we are committed to studying it dispensationally. Although God's essential nature does not change, His dispensations toward man do change. This course gives an overview of the Bible from a dispensational point of view. It lays the groundwork for a lifetime of effective personal Bible study.

103 - BIBLE EXPOSITION I: (*Four credit hours*) This systematic expositional survey is divided into six courses that take the student through the Bible in three years (the books of Daniel, Acts, Romans, Ephesians, Philippians, Colossians, Revelation, the Major Prophets and the Minor Prophets are also offered in separate study courses). Each book will be studied in its dispensational setting as part of all Scripture, (II Tim. 3:16). This course begins with an in-depth study of the foundational book of Genesis and then moves on for a book by book study of Exodus through Deuteronomy. It provides the student with an understanding of the outworking of God's plan in reference to the Creation, the Flood, the nations, the special purpose of His chosen people, Israel, the Exodus from Egypt, the Tabernacle, the Priesthood, and their dispensational importance.

105 - BASIC BIBLE DOCTRINES I: (*Two credit hours*) A concise study of the important major doctrines of Scripture from a dispensational point of view. This course covers the introduction to Bible doctrines; the Bible, the Godhead, the Person of Christ, the Depravity of Man, Salvation, the Security of the Believer, the Holy Spirit, and the Church.

107 - PERSONAL EVANGELISM & FOLLOW UP: (*Two credit hours*) The student will learn first hand how to lead both adults and children to faith in Jesus Christ as Savior. Procedures for one-on-one witnessing, door-to-door evangelism, and evangelistic meetings will be taught. This is one of the most important classes an individual can take. In addition, how to follow up on a new believer in order to help them become established in the faith and begin walking in the spirit is taught.

109 - DISPENSATIONAL HERMENEUTICS: (*Two credit hours*) The study of how to correctly interpret the Bible from a literal and dispensational view. The sound and practical methods of personal Bible study which are essential to a proper understanding of the Scriptures will be examined and applied. This is an important course for those who want to be serious students of God's Word.

111 - STUDY SKILLS/PERSONAL FINANCE: (*One credit hour*) The first eight weeks of the semester are devoted to helping the student develop good study skills and habits, enabling them to obtain the most from their studies. This is especially important for those who have not experienced formal education beyond the high school level. The second eight weeks deal with personal finance to help individuals wisely manage their personal finances following Biblical principles. A practical course that teaches people how to get out of debt and stay out of debt.

113 - ENGLISH: (*One credit hour*) To be successful students or teachers, individuals must have the ability to communicate effectively. This course is provided to help students to improve their speech and writing skills. This is a specially programmed course designed to make learning of English grammar a positive experience.

115 - PUBLIC SPEAKING: (*One credit hour*) The ability to communicate effectively is important in all areas of life. The goal of this course is the development of basic oral communication skills to give the student confidence in extemporaneous speaking giving their testimony, presenting a devotional message, etc. Training in public speaking is an immediate step in preparing for the work of the ministry.

301 - PASTORAL MINISTRY II: (*Two credit hours*) This course focuses on the local church as God's primary ministry in this Dispensation of Grace. Paul's letters, particularly to Timothy and Titus, provide the principles for Pastoral Ministry. This course covers the practical structure of church polity, leaders and leadership, church services, congregational needs, and marriage and funeral services.

303 - BIBLE EXPOSITION V: (*Four credit hours*) This systematic expositional survey is divided into six courses that take the student through the Bible in three years (the books of Daniel, Acts, Romans, Ephesians, Philippians, Colossians, Revelation, the Major Prophets and the Minor Prophets are also offered in separate study courses). Each book will be studied in its dispensational setting as part of all Scripture, (II Tim. 3:16). The primary textbook for these courses will be the Bible. A general introduction and survey of the Kingdom epistles of Hebrews through Revelation. Emphasis is given to their message, dispensational distinctives, and doctrines in comparison with the Apostle Paul's epistles. Their relationship to God's prophetic kingdom program and their proper use and application during the present Dispensation of Grace is thoroughly examined.

305 - PRACTICAL DISPENSATIONAL THEOLOGY III: (*Two credit hours*) Theology is the study of God. Systematic Theology is the ordered study of the great doctrines of God's Word, the Bible. Dispensational Theology is the systematic in-depth study of the great doctrines of Scripture according to the Biblical principle of right division (II Tim. 2:15). The doctrine of Soteriology (doctrine of salvation; the Person of the Savior, the provision of salvation, and the application of salvation).

307 - MISSIONS, & CHURCH PLANTING: (*Two credit hours*) These two subjects deserve to be handled together as they enhance each other and compose a vital part of the local church ministry.

MISSIONS - Using Paul's missionary methods, a workable mission philosophy will be taught. Present world fields will be looked at with an introduction to Grace missionaries currently laboring in them.

CHURCH PLANTING - Extending the local church at home and in foreign lands was the Apostle Paul's desire and God-given mission. The Pauline pattern of church planting will be studied as the example the church of today is to follow.

309 - BASIC GREEK I: (*Two credit hours*) This course is designed to expose students to elementary New Testament Greek and equip them to utilize lexical and grammatical tools in order to enhance their individual and independent study of God's Word. Covers the elementary orthography, grammar, and vocabulary.

311 - CHRISTIAN WRITING: (*One credit hour*) This course presents the need to effectively communicate by encouraging letter writing. Beyond this it promotes formats for writing articles, newsletters, tracts, printed Bible studies etc.

313 - THE TABERNACLE: (*One credit hour*) This is a study of the Tabernacle along with the Levitical priesthood and the associated offerings, sacrifices, feasts, and worship of God by Israel, and how it all points to the Person and redemptive work of Israel's Messiah the Lord Jesus Christ.

315 - MUSIC AND SONG LEADING: (*One credit hour*) Students are taught how to lead/conduct congregational singing. It includes how to choose appropriate hymns to enhance sermonic themes in worship and church services. Some time will be spent in researching the history of sacred classical music for use in the local church services.

1001 - BIBLICAL PRINCIPLES OF FAMILY LIFE: (*Two credit hours*) Offered during the fall semester, this is a special class on understanding and applying the Biblical principles of personal relationships within the family. With the moral fabric of our nation already badly eroded by the persistent flow of humanistic thought into the mainstream of our culture, the traditional views of the family and moral ethics are quickly fading away. This course is designed for those who are sincerely interested in learning how to protect their families from the destructiveness of worldly philosophies through the application of the Biblical principles of parenting and other family issues. Class size is restricted for this course, so those desiring to attend should sign up as soon as possible. Single people are allowed to attend. Married couples must attend classes together.

ministry, which is to train pastors, Bible teachers, and missionaries. Certainly the Lord has blessed this faithfulness to the Grace Message and the committing of that message *“to faithful men, who shall be able to teach others also”* as we are instructed to do in II Timothy 2:1-2.

While **Berean Bible Institute** is much younger than the *TCM Bible institute* ministry in the Philippines, six years compared to forty-three years, our purpose and goals are the same, *“to glorify God by training faithful Christian workmen (II Tim. 2:15) to become approved unto God and not ashamed of the distinctive message of God’s matchless Grace revealed to and through the Apostle Paul.”*²

Will **BBI** be as successful in turning out dedicated pastors, Bible teachers, and missionaries as the Bible institute ministry in the Philippines has been? We don’t know, as only the Lord can foresee the future. But we do know this, if we don’t make the effort to train able ministers of God’s Word it won’t happen. That is why, by God’s Grace, we are determined to carry on in the work that we are doing here at **BBI** in order to meet the very real and undeniable need for more properly trained Grace pastors, missionaries, and workers in the local churches. Without them the Grace Movement in America will suffer in the years to come. For the message to thrive, the Grace Movement cannot simply be content to maintain the existing Grace churches by providing pastors for them when needed. No, we must look beyond what has been accomplished by those who have gone before us, with the goal of planting new Grace churches and the opening of new foreign mission fields by Grace missionaries. Just as the Grace churches and other Grace ministries in existence now didn’t just happen, new churches will not be planted and new mission fields will not be opened without hard work and sacrifice by dedicated individuals.

If the Grace Movement is going to grow, it will be through prayer, planning, preparation, perseverance, and more prayer. **BBI** is doing its part by providing sound Bible teaching and ministry training to help individuals prepare themselves for the work of ministry. But we are not doing it by ourselves. Like all valid ministries we are dependent on the Lord’s strength and provision.

In its six short years of existence **BBI** has grown slowly, but steadily, from eight students to twenty-four. And, we trust that it will continue to grow. Please pray for the students, staff, and faculty of **Berean Bible Institute** as we prepare for the beginning of a new school year. And also pray for the long range goal of this ministry, that it will stand strong as a beacon of God’s Grace in the decades to come as its graduates go out to faithfully preach *“Jesus Christ according to the revelation of the mystery.”*

In Christ,

² This quote is from the Handbook & Course Catalog of *Berean Bible Institute*; The full statement of purpose and goals reads as follows:

The purpose of **Berean Bible Institute** is to glorify God by training faithful Christian workmen (II Tim. 2:15) to become approved unto God and not ashamed of the distinctive message of God's matchless Grace revealed to and through the Apostle Paul. **BBI** will promote understanding the entire Bible in the light of this Pauline revelation and encourage the universal proclamation of God's present administration of Grace both to the world and to the church.

Berean Bible Institute was founded because of Paul's injunction to Timothy, *“the things that thou has heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also”* (II Tim. 2:2). Since God's purpose in this Dispensation of Grace is to build up the Body of Christ, **BBI's** training will focus on establishing, edifying, and extending the local church and will be closely identified therewith.

The preferred Bible translation for classroom instruction will be the King James Version. The extremes of the “King James Only” position will not be promoted.

Berean Bible Institute is independent and seeks no academic recognition, affiliation, or accreditation from any organization of any kind. Funding of the **BBI** is partially by tuition from the students but principally from donations freely given by those who understand and support the implementation of the **Institute's** stated goals. With the help of God, **BBI** will adhere to its “institute” format in preference to any liberal arts college plan. This is essential to achieving our stated goals.

Berean Bible Institute is based on the Scriptural fact that there is but one Church, the Body of Christ, and that all true believers in Christ, regardless of denominational affiliations or lack of such affiliations, are fellow members of that Body. Seeking to keep and to promote the unity of the Spirit as outlined in Ephesians 4:1-6, **BBI** adopts as its policy:

*In essentials, Unity; In non-essentials, Liberty;
In all things, Charity.*

* If you would like to receive a free copy of our **BBI** Handbook & Course Catalog please contact us!

*“The evangelistic harvest is always urgent.
The destiny of men and of nations is always
being decided. Every generation is strategic.
We are not responsible for the past generation,
and we cannot bear the full responsibility for
the next one; but we do have our generation.
God will hold us responsible as to how well we
fulfill our responsibilities to this age and take
advantage of our opportunities.”*
