

Thank you for visiting the website of Berean Bible Institute. Berean Bible Institute has a three year program to train pastors, missionaries, evangelists, and others who have a desire for sound Biblical training to prepare them for gospel ministry.

I do not know if it is possible for individuals who are not U.S. citizens to attend **BBI**. The United States Government probably would not grant permission to live in the U.S.A. as a student of **BBI**. As a Bible Institute we do not give degrees that are recognized by the U.S. Government and so non-U.S. citizens do not qualify for student visas. This means that we cannot help a person gain entry into the U.S.A. for schooling.

However, if a person would be able to legally enter the U.S.A. **BBI** would consider accepting them as a student. But we cannot offer any financial support or housing. These things would be the individual's own responsibility.

I do want all those expressing interest in studying at BBI to know that I will pray for them and their ministries they are laboring in on behalf of our Lord Jesus Christ. May God richly bless and strengthen them in their efforts.

Please feel free to write me if you have any questions.

"The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Spirit be with you."
